VETRO POWER
ANTI-SLIP SOLUTIONS

faber
TILE & STONE CARE

Promoting Safety, Enriching Surfaces

Experience the Evolution of Anti-Slip Solutions

Frustrated by slippery floors causing accidents?

- Prioritize safety while preserving aesthetics.
- Witness the transformation with **Vetro Power and Faber.**

SAFE MARBLE

Safeguard marble, travertine, limestone, and lime-based surfaces with invisible micro-erosions that amplify surface grip, even in wet conditions.

YS ONE

Elevate your confidence on ceramic, porcelain stoneware, quartz, and siliceous stone floors using our water-based anti-slip treatment.
